Business Debit Card - Card Transactions

These charges will apply in addition to any automated withdrawal fee as outlined under current account services section. You can withdraw cash from cash machines worldwide. If you withdraw money from a cash machine not provided by AIB Group, you may be asked to pay a handling fee (which will go to the cash machine operator). When you make a withdrawal, you should be told how much these fees are and be given the choice of cancelling the transaction.

Using your Debit Card to withdraw sterling from a cash machine

You can use your Debit Card to withdraw sterling from cash machines and at most UK Post Office® counters. The only fee applied by us in this instance will be the automated withdrawal fee outlined under current account services section.

Using your Debit Card to withdraw money from cash machines in Europe and the rest of the world

You can use your Debit Card to withdraw foreign currency at cash machines that accept Visa Debit. The amount will be converted at an exchange rate set by Visa. You will have to pay a currency conversion fee of 2.75% of the amount you are withdrawing. If you are withdrawing a currency other than euro, you will also have to pay a separate 1.5% cash handling fee.

Using your Debit Card to buy goods and services and withdraw money over the counter

If you use your Debit Card to buy goods and services or to withdraw money over the counter at any outlet that offers this service (known as a 'manual cash advance'), in a foreign currency, you will have to pay a currency conversion fee of 2.75% on the sterling amount, which is included in the foreign exchange rate applied to the transaction. The amount will be converted at an exchange rate set by Visa.

For manual cash advances (including pounds sterling), we will charge you a separate 1.5% cash handling fee.

Borrowing

Interest and fees are applicable to loans and overdrafts.

Reference rate linked borrowing

Rates will vary with changes in applicable reference rates. These will be advertised in the national press, on our website www.aibgb.co.uk and in our branches.

Fixed rate borrowing

You may also borrow at rates of interest that are fixed for a set period of the borrowing. The rate will be agreed at the start of the term and will not vary until the expiry date of the fixed rate agreement.

Arrangement fee

These charges are made whenever new or extra borrowing is arranged.

Normally 1.5% (minimum £500)

Renewing or increasing an overdraft

Temporary extension fee

This is for the temporary extension of an overdraft or loan beyond its original expiry date. This is subject to advance agreement with your branch.

Minimum 0.25% per quarter or part thereof

Unauthorised borrowing

On each occasion that your Account goes over the agreed limit or you overdraw your Account without arranging an overdraft first, you will be charged an unauthorised excess fee.

£30.00

Excess Interest

Excess interest will be charged at a rate of 1.5% (minimum £2) per month (equivalent to an annualised rate of 19.25% per annum). This is debit interest charged in addition to the agreed/specified/default rate and applies on each occasion that any of the following occurs:

- Your Account is debited when it is over the agreed limit.
- If there is no overdraft facility in place and the Account goes overdrawn.
- If an item is presented for payment which further increases your overdrawn position.

Default Interest

For Current Account Holders who do not have an agreed overdraft limit in place, and where your Account goes overdrawn, the debit interest rate accruing (referred to as the 'Debit Interest Default Rate') is calculated at the Bank's Base Rate plus 12%. This will be charged quarterly in arrears for the number of days your Account is overdrawn.
