Charges Explained

Allied Irish Bank (GB)

Monthly Account Charges

If you maintain a cleared credit* balance on your Account during the charging period (see table below), the charges in this section will not apply. If your account goes overdrawn, whether arranged or otherwise at any time during the relevant charging period, then the following charges will be calculated and charged to your Account.

Charging period	Dates your Account will be debited
16 July 2017 – 15 August 2017	15 September 2017
16 August 2017 – 15 September 2017	13 October 2017
16 September 2017 – 15 October 2017	15 November 2017
16 October 2017 – 15 November 2017	15 December 2017
16 November 2017 – 15 December 2017	15 January 2018
16 December 2017 – 15 January 2018	15 February 2018

We will advise you of the amounts due, if any, prior to your Account being debited. This gives you the opportunity to ensure that you have sufficient cleared funds in your Account to meet these charges. Other charges, as listed in this leaflet, are due at the time the service is provided.

Note 1: If the 15th falls on a day which is not a banking day, we will debit your account on the previous banking day.

*Cleared credit balances exclude items, such as cheques, lodged to your Account, for which the Bank has yet to collect value. See Personal Banking Service Terms & Conditions Section D (5) for more details.
