Benefits

Verified by Visa

When shopping online with participating retailers who take part in the Verified by Visa scheme, we may ask you for some extra Security Details to give you an additional level of protection against unauthorised use of your Card. All you need to do is ensure that you have a valid mobile phone number registered with us because we may send you a one time passcode to complete the online transaction. You may not be able to proceed with your online purchase if you do not register your mobile number with us. For further information, please refer to the Frequently Asked Questions section on our website at www.aibgb.co.uk or contact us on (028) 9033 0099.

You should take all reasonable steps to keep your Security Details secure at all times and you should not share them with anyone.

Security code

For security purposes, when you are buying something over the phone or on the internet you may be asked for your 'security code'. This is the last three digits of the number printed on or beside the signature panel on the back of your Card. You can quote this number if you are asked to, but you should never tell anyone else your PIN.

Changing your PIN

You can change the Personal Identification Number (PIN) we give you at any UK cash machine displaying the LINK sign.

Simply insert your Card, choose the 'PIN select' function on the menu and follow the onscreen instructions. Remember to be careful when choosing your new PIN. You must never tell anyone else your PIN and never write down your PIN or other security information.

Keeping track of your spending

Debit Card transactions are debited directly from the Business Bank Account. A bank statement will be issued directly to the Account Holder. The bank statement will show the last four digits of the Card used so you can track how much each user has spent and when they spent. If the Card is used abroad, information about the transaction such as the exchange rate and amount of any fee will appear on the statement.

Subscriptions

You can set up a continuous payment authority (also known as 'Recurring Payment Transactions') on your Card from your Business Bank Account (such as an internet or magazine subscription). If you wish to cancel them, you can do so by contacting us up to the last banking day before the payment is due to leave the Business Bank Account. You should also contact the company or service provider to advise them that you are cancelling the Recurring Payment Transaction.

Charges

Business Debit Card Charges

The charges outlined in this section will apply in addition to any other fees as advised in the Business Banking Charges Explained brochure. This is available from our branches or on our website www.aibgb.co.uk

You can withdraw cash from cash machines worldwide. If you withdraw money from a cash machine not provided by AIB Group, you may be asked to pay a handling fee (which will go to the cash machine operator). When you make a withdrawal, you should be told how much these fees are and be given the choice of cancelling the transaction.

Using your Debit Card to withdraw sterling from a cash machine

You can use your Debit Card to withdraw sterling from cash machines. The only fee applied by us in this instance will be the automated withdrawal fee mentioned in the Business Banking Charges Explained brochure.

Using your Debit Card to withdraw money from other cash machines in Europe and the rest of the world

You can use your Debit Card to withdraw foreign currency at cash machines that accept Visa Debit. The amount will be converted at an exchange rate set by Visa. You will have to pay a currency conversion fee of 2.75% of the amount you are withdrawing. If you are withdrawing a currency other than euro, you will also have to pay a separate 1.5% cash handling fee.

Using your Debit Card to buy goods and services and withdraw money over the counter

If you use your Visa Debit Card to buy goods and services or to withdraw money in a foreign currency or to withdraw money over the counter at any outlet that offers this service (known as a 'manual cash advance'), you will have to pay a Currency conversion fee of 2.75% on the sterling amount, which is included in the foreign exchange rate applied to the transaction. The amount will be converted at an exchange rate set by Visa.

For manual cash advances (including sterling), we will charge you a separate 1.5% cash handling fee.

Currency Conversion

When you are using your Card abroad, some cash machines, retailers and hotels may offer you the facility to pay in sterling rather than in the local currency. However, if you choose to pay in sterling, the retailer will apply a local exchange rate to the transaction which is currently outside our control. If you pay in the local currency, we will apply the exchange rate to the transaction.

Security tips for your Allied Irish Bank (GB) Business Debit Card.

1. Sign your Card as soon as you get it, using a non-erasable ballpoint pen. You should take reasonable steps to keep your Card safe and your PIN and other security information secret at all times. You should tell us immediately if you change your name and address.
2. Do not allow anyone else to use your Card, PIN or other security information (see note below). Never give your account details or other security information to anyone unless you know who they are and why they need them.
3. You must not tell anyone your Card number, except when carrying out a transaction or to report it lost, stolen or likely to be misused. If you want to, you can register your Card and its number (but not your PIN) with a recognised Card protection service.
4. We will never ask you for your PIN, if you are not sure about whether a caller is genuine or if you think they are acting suspiciously, take their details and call us on **(028) 9033 0099**.
5. We will provide you with your PIN. When you receive your PIN you should memorise it and keep it secret. You can also change your PIN at any UK Cash Machine displaying the LINK sign. Do not choose a PIN that is easy for someone else to guess (such as your date of birth or 1234). You must never tell anyone your PIN. You should never write down or record your PIN on your Card (or anything you normally keep with or near it) in any way which might be recognised as a PIN, or give someone else access to a Device you keep your details on.
6. Keep your Card receipts and other information about your account containing personal details (for example, statements) safe and get rid of them carefully.
7. Take care when storing or getting rid of information about your accounts. People who commit fraud use many methods such as 'bin raiding' to get this type of information. You should take simple steps such as shredding printed material.
8. Check your statement. If you do not recognise a transaction, please call us immediately. In some cases, we will need you to give us confirmation or evidence that you have not carried out a transaction you do not recognise.
9. You will find the APACS website www.cardwatch.org.uk a helpful guide for practical tips on Card security and fraud prevention.

Note: By 'other security information', we mean personal facts and information (in an order which only you know) we use to check your identity. We will not ask for your PIN.

You should take all reasonable steps to keep your PIN, other security information or any other code allocated to you by us and/or subsequently chosen by you secret, your Card, your Security Details and any Device secure at all times. You should tell us immediately if you change your address, phone number or any other contact details for the Account or Card. The Card will be our property at all times.
- 1.3 You must not let anybody else use your Card, PIN, Security Details or any other code allocated to you by us or chosen by you.
- 1.4 You must not tell anyone your Card Number, except when carrying out a Transaction or to register or activate your Card in a Digital Wallet or to report that the Card is lost, stolen or likely to be misused. If you want to, you can register your Card and its number (but not your PIN, Security Details or any other code allocated to you by us or chosen by you) with a recognised card protection company.
- 1.5 We will provide you with your PIN. When you receive your PIN you should memorise it and keep it secret. You can also change your PIN at any UK Cash Machine displaying the LINK sign. Do not choose a PIN that is easy for someone else to guess (such as your date of birth or 1234). You must never tell anyone your PIN. You should never write down or record your PIN on your Card (or anything you normally keep with or near it) in any way which might be recognised as a PIN, or give someone else access to a Device you keep your details on.

2 If your Card, Device or Security Details are Lost or Misused

- 2.1 If you think someone else knows your PIN, Security Details or any other code allocated to you by us or chosen by you, or if your Card or if a Device is lost, stolen or likely to be misused, you must tell us immediately. Call us on the number noted in our 'Contacting Us' section.
- 2.2 We will accept notice from a card protection company if you have your Card registered with them or from Visa, if your Card, PIN, Security Details or Safeguard System passcode has been lost, stolen or is likely to be misused.
- 2.3 If any Card we have issued to you is lost, stolen or misused, we expect you to co-operate with us and the police in any investigation. If we can show that you have acted fraudulently in relation to a Transaction that you tell us is unauthorised, we will not refund you the amount of that Transaction, nor any related interest and charges.

When making a payment using your Card or Device by way of a Contactless Transaction you must place your Card or Device against the reader in the Outlet. The Card or Device, as applicable will be detected and the payment is completed without you entering your PIN or other Security Details. Occasionally, for your security or for Transactions over certain amounts, you may also be asked to insert your Card into the card terminal and enter your PIN or on your Device you may be asked to enter your Security Details, to authenticate your Transaction and enable your Transaction to proceed. Details of these limits are available by contacting us. Some limits may not be disclosed for security purposes.
- 3.4 You can use your Card only within the Validity Period shown on it.
- 3.5 Use of your Card is subject to Transaction and daily limits as set by us. You can contact us to agree spending limits for using your Card online, subject to our Transaction and daily limits. Our contact details are set out in the 'Contacting Us' section.
- 3.6 A Card does not give you an overdraft or any other form of credit, so you must apply for these in the normal way. If you already have an agreed overdraft, you can use your Card to make withdrawals, but you must not go over any Agreed Overdraft Limit. If, by using your Card, you go overdrawn and you do not have an Agreed Overdraft Limit or you go over the Agreed Overdraft Limit and we have not given you permission to do so, the Account Holder must immediately pay back the amount by which you have gone over the limit. We will charge you a fee for any item presented for payment when you have gone overdrawn or the amount you have gone over the Agreed Overdraft Limit. The Account Holder will also have to pay any other bank charges that apply. You can find details of our unauthorised overdraft interest rate and charges in our Charges Explained Brochure and also on our Website.
- 3.7 When necessary, we may give you a new or replacement Card and/or PIN. There may be a charge for new or replacement Cards, please refer to our Charges Explained Brochure. However, we will not issue any more Cards on the Account if you tell us not to do so.
- 3.8 We may, following the request of the Account Holder, agree to issue additional Cards on the Account. Any such agreement on our part is at our absolute discretion, and we are entitled to decline such requests. Each additional Card requires a separate PIN and may be used by a person nominated by you. Additional Cards will be issued subject to these terms and conditions.

- 3.9 It is the responsibility of the Account Holder to provide the Authorised User with a copy of these terms and conditions. The Account Holder must ensure that the Authorised User complies with these terms and conditions and any subsequent amendments to or replacement of these terms and conditions.
- 3.10 It is the responsibility of the Account Holder to contact us to cancel any Card issued to an Authorised User who is no longer authorised by the Account Holder to use the Card. For security reasons, immediately destroy all physical Cards by cutting through the Chip and delete or un-register all related Digital Cards.
- 3.11 If the Authorised User ceases to be an authorised signatory on the Account or if the signing instructions on the Account cease to be 'any to sign' we will cancel the Card(s) on the Account.

You should also contact the company or service provider to advise them that you are cancelling the recurring Transaction.
- 4.3 Transactions may take a number of days to appear on the Account statement. If there are any mistakes on the statement or you have any questions about the information on it, you should contact us as soon as possible. We recommend that the Account Holder reviews the Account statement regularly.
- 4.4 We may, without notice, refuse Authorisation for a Transaction if we have good reason to believe that:
 - a) the security of the Account, Card or Device is compromised;
 - b) the Account, Card or Device could be used to commit fraud, or by someone who does not have authority to use it;
 - c) the Transaction seems unusual compared with the way you normally use your Card, Account or Device;
 - d) in the case of a Payment Service that offers you credit (for example, an overdraft), there is a significantly increased risk that you may not be able to pay back the money you have borrowed; or
 - e) the Transaction would damage our reputation,then we may prevent or stop any Transaction on your Account. Where applicable, unless to do so would be against the law, we will try to contact you before we take a decision to decline a Transaction, but it may not always be possible for us to do so. Please refer to the 'Contacting You' section for the ways in which we can communicate with you. If we contact you by text message you may be asked to confirm a Transaction by responding to the text message with a 'Y' or 'N' reply. The text will come from +447537414900. This is a number for texting only and it won't answer if you ring it. We will not ask you for any personal information, account numbers or PIN numbers. If you are not happy to answer the text, contact us on a trusted number found on our Website or correspondence that is known to be authentic, such as a statement. If you do not have a mobile phone or your phone does not receive text messages, we will try to call you. If we are unable to make contact with you by phone we will send you a letter asking that you contact us.

- 4.5 The Account Holder is Liable (except as mentioned in section 2) for paying:
- all Transactions;
 - all interest and charges as mentioned in these terms and conditions and the Charges Explained Brochure; and
 - all losses and reasonable costs which we have to pay as a result of you breaching these terms and conditions including if this is arising from a Card issued to an Authorised User.
- 4.6 When you use your Card to withdraw cash or to carry out any Transaction in a currency other than sterling, you will have to pay extra charges for non-sterling Transactions. You can get details about how we apply these charges from the relevant sections in our Charges Explained Brochure. In addition to the fees and charges referred to in our Charges Explained Brochure you may also be charged a Transaction fee by the local bank which processes the Transaction. We have no control over third parties that might apply a charge for processing the Transaction or who convert the local currency into sterling and charge for doing this. We also have no control over the rates they may apply.
- 4.7 The available balance on the Account may reflect:
- any Authorisation we have given for a Transaction which has already been carried out but has not yet appeared on the Account statement; or
 - any Authorisation we have given for a Transaction which has not yet been carried out but for which we have been asked to authorise an estimated amount.
- 4.8 Once a Card Transaction has been carried out on the Account both the Account Holder and us will be bound by that Transaction, unless the details of it are proved to be incorrect. If we think you have acted fraudulently or with intent or Gross negligence, it will be our responsibility to prove it. We must also prove that you have received your Card if there is any dispute about this. If you have any questions about Card Transactions on the Account, you should contact us as soon as possible and in any case no later than 13 months after the date of the Transaction.
- 4.9 If we issue a Card for use by an Authorised User, the Account Holder will be Liable for all amounts arising from, or losses incurred, in connection with the use of the Card. If we receive an instruction about the Card from the Account Holder or Authorised User, we may act on it.
- 4.10 When shopping online with participating retailers who take part in the Verified by Visa scheme, we may ask you for some extra Security Details to give you an additional level of protection against unauthorised use of your Card. All you need to do is ensure that you have a valid mobile phone number registered with us because we may send you a one time passcode to complete the online Transaction. You may not be able to proceed with your online purchase if you do not register your mobile number with us. You should take all reasonable steps to keep your Security Details secure at all times and you should not share it with anyone.
- 4.11 When you make a Transaction using your Card, the balance on your Account will usually be decreased immediately by the amount of the Transaction. Sometimes, a Outlet (for example a self-service petrol station or a hotel) may obtain a specific pre-authorisation for an amount agreed with you. This may reduce your available balance, although that pre-authorised amount may only be charged by the hotel or petrol station to your Account where you have obtained goods or services to the value of the pre-authorised amount. Once the Outlet instructs us to, we will remove the pre-authorised amount as soon as possible.
- We recommend that you review your Account details online on a regular basis. Please contact us if you have any queries.
- 5 Refunds (for more details please also see the Account Terms and Conditions)**
- 5.1 If you are not happy with something you have paid for using your Card and the Outlet agrees to give you a refund, we will only credit the Account with the amount due upon receipt and processing of the refund amount from the Outlet. For non-sterling Transactions the amount actually credited to your Account may, following deduction of relevant fees and charges, differ from the original amount of the Transaction carried out on your Account. We will not accept any other method of refund. Unless the law says otherwise, you cannot use a claim you have made against an Outlet as a defence or claim against us.
- 5.2 We cannot be held Liable (whether or not you or an Authorised User make or try to make a Transaction) for:
- any other person failing, or taking longer than expected, to accept your Card, Device or Card Number;
 - the way in which any other person communicates that they failed or took longer than expected to accept your Card, Device or Card Number, or refused to authorise a Transaction; or
 - The publication of a refusal of Authorisation of any Transaction.
- 5.3 Where a payment from your Account has been initiated by or through a Payee, you may be entitled to a refund if:
- the authorisation you gave did not specify the exact amount of the payment; or
 - the payment made from your Account was more than reasonably expected, taking into account your previous spending pattern, the terms and conditions of your Account or Card and the circumstances surrounding the payment.
- To request a refund, you must tell us as soon as possible if either or both of the above happen and, in any case, no later than 8 weeks after the amount is taken from your Account.
- 5.4 We will refund you within 10 Banking days of your request or of receiving any information we ask you to provide to us. If we refuse your request for a refund we will inform you of this within the same 10 Banking day timeframe along with our reasons.
- 5.5 You are not entitled to a refund where:
- you have given consent directly to the Payment Service Provider for the Transaction; and
 - information on the Transaction was provided or made available in an agreed manner to you by the Payment Service Provider or Payee at least four weeks before the due date.
- 5.6 If we refuse your refund request, and you do not agree with this decision you may refer to the Financial Ombudsman Service. Please see the 'Complaints' section for details.
- 6 Cancelling the Card**
- 6.1 We reserve the right at any time and without giving notice, to refuse Authorisation for a Transaction. We may also make this refusal public. We can also decide not to renew or replace the Card. We can also cancel the Card on the Account. If we take such action we will give the Account Holder notice of this in writing. If we decide to do this we will, wherever possible, give the Account Holder at least two months' notice in writing unless there are exceptional circumstances. These include, but are not limited to, the following:
- the security of the Account, your Card or Device is compromised;
 - the Account, your Card or Device could be used to commit fraud, or by someone who does not have authority to use it;

- c) in the case of a Payment Service that offers you credit (for example, an overdraft), there is a significantly increased risk that you may not be able to pay back the money you have borrowed;
 - d) if an encumbrancer (being a person who owns a right or interest in property other than the owner) takes possession of, or a receiver, administrator, administrative receiver, liquidator, trustee, manager or similar officer is appointed over all or any part of your business or assets;
 - e) if you are unable to pay your debts, within the meaning of Article 123 of the Insolvency Act 1986, or if you are the subject of an administration order or if you make or offer to make any voluntary arrangement or composition with your creditors or if you suffer a material change in your financial position which adversely affects your ability to perform your obligations in connection with the Account;
 - f) if you pass a resolution for, or are the subject of, a court order for your liquidation, whether compulsory or voluntary, except for the purposes of achieving solvency;
 - g) if you cease, or threaten to cease to carry on business;
 - h) if any representations, warranties or statements made by you to us in connection with the Account are breached or are untrue in any material respect;
 - i) we have reasonable grounds to believe that you are no longer using the Account and it has not been active for 6 months or more;
 - j) you act, or are suspected of acting, fraudulently against us or any other party;
 - k) if you commit any serious or repeated breach of these terms and conditions;
 - l) if you are in breach of any other agreement with us;
 - m) to enable us to comply with any law, regulation, code or good practice; or
 - n) if you can no longer manage your financial affairs or you die.
- 6.2 If we ask you to return the Card, you must do so immediately, cutting the physical Card through the Chip and delete or un-register all related Digital Cards for security reasons. If you try to use the Card after we have suspended or cancelled it, any person acting on our behalf has the right to hold the Card and not return it to you.
- 7 Ending this Agreement**
- 7.1 There is no minimum period for how long this Agreement needs to be in force. It will continue to be in force until either you or we end it in line with these terms and conditions.
- 7.2 Unless we have agreed otherwise, you can end this Agreement any time by contacting us. We may end this Agreement by giving the Account Holder at least two months' notice in writing. If you or we end the Agreement, you must, for security reasons, immediately destroy all physical Cards you (or any other Authorised Users) hold by cutting through the Chip and delete or un-register all related Digital Cards.
- 7.3 Whether you or we end this Agreement, its terms will continue to apply until you have paid all the money you owe.
- 8 General**
- 8.1 We will not be Liable if, despite all our efforts, we are prevented (directly or indirectly) from meeting any of our responsibilities under these terms and conditions because of:
- a) a fault which has happened in any system or machine used to carry out a Transaction;
 - b) an industrial dispute (for example, a strike);
 - c) anything outside our or our agents' or subcontractors' control; or
 - d) the Card being retained, damaged or not honoured by a third party.
- 8.2 We reserve the right for any reason (on giving reasonable notice where possible) to stop offering or supporting any Digital Card or to stop offering or participating in any Digital Wallet services or facilities.
- 8.3 We shall not be Liable for any loss you suffer due to our failure to perform our obligations under this Agreement where that failure arises because of anything outside our reasonable control. Any liability we do have in these circumstances will be limited to your direct loss caused by any such failure and shall, in any case, be no more than the amount of the relevant Transaction (where you have lost that amount), plus interest and any relevant fees.
- 8.4 Third parties providing applications or services in connection with your Digital Card or Digital Wallet may have their own Agreements which you are subject to ("Third Party Agreements"). It is your responsibility to read and understand these Third Party Agreements before creating, activating or using a Digital Card or a Digital Wallet. We will have no responsibility or liability in respect of any Digital Wallet facilities provided by third parties nor any other applications or services which are provided by third parties in connection with your Digital Card or Digital Wallet, including any fees or charges which may be charged to you by third parties.
- 8.5 If we send a written demand or notice in connection with the Account or Card by post to the last address you gave us, we will consider this to have been properly served and received on the day that you should have received the envelope containing the demand or notice.
- 8.6 If we choose not to enforce any term, or we cannot enforce any term which applies to the Account, this will not affect our right to:
- a) enforce that term later; or
 - b) enforce any of the other terms which applies to the Account or the Card.
- 8.7 These terms and conditions are written in English and all our communications will be in English.
- 8.8 The laws of England and Wales apply to this Agreement and the courts of England and Wales will have exclusive jurisdiction over any dispute that may come about as a result of this Agreement.
- 8.9 We have the right at all times to change and add to these terms and conditions as a result of:
- a) a change in the law, regulation, code or good practice;
 - b) customer feedback;
 - c) product development; or
 - d) for any other valid reason we give you at the time we tell you about the change.
- If we want to make a change to your terms and conditions we will let the Account Holder know at least two months' beforehand in writing (unless, by law or in line with regulation, we are able to give you shorter notice). Unless we hear otherwise from you during the notice period, we will assume that you are happy to accept the amended terms and conditions. If you are not happy, you have the right to end this Agreement with us. At any time up to two months' from the date of the notice, you can, without notice, cancel your Card without having to pay any extra charges or interest for doing this. When you receive this notice, you can end the Agreement in line with section 7, as long as you have paid all the amounts you owe. However, if you continue to hold your Card after this time, we will consider you to have accepted the relevant changes. It is the responsibility of the Account Holder to provide the Authorised User with a copy of these amended terms and conditions.
