

# Tariff of Mortgage Charges

effective from 15 September 2017

Allied Irish Bank (GB) referred to herein as AIB (GB) is closely involved in the mortgage industry's initiative with the Council of Mortgage Lenders and Which? to make our fees and charges easy for you to understand.

Our tariff of charges fully reflects the initiative's good practice principles. This same document is being used across the industry to help customers compare mortgages.

When looking at the fees that other firms charge, you may notice some that don't appear in our tariff (below). This means we don't charge you these fees.
