The first time we intend to do this we will give you at least 14 days’ notice. We may not give you notice before we exercise this right again, but we will tell you about it afterwards.

7. For the purposes of exercising any rights under clause 6 above, or any Rights under the general law, we may convert or transfer all or any part of such credit balances into another currency, applying a rate which, in its opinion, fairly reflects prevailing rates of exchange.

8. We are not obliged to exercise any of our rights under clause 6 above which shall be without prejudice and in addition to any Rights under the general law.

9. In relation to debit and credit balances on any Account which forms part of a global facility to more than one borrower, (a ‘Relevant Account’), we will be entitled to set off and apply all credit balances on any Relevant Account in or towards satisfaction of any debit balances on any other Relevant Account at any time after any default by any borrower with a Relevant Account.

10. We may use any intermediary or agent bank and clearing and settlement system of our choice to execute any payment. The routing and channel(s) used by us is entirely at our discretion. If we provide you with services which are not covered by the Payment Services Regulations (including, but not limited to, cheques and other Paper transactions) we will not be responsible for any delay or failure caused by any intermediary or agent bank or any clearing or settlement system.

11. Refunds will not be credited to your Account unless the Bank receives a refund instruction from a retailer or supplier in a form acceptable to the Bank. No claim by you against a retailer or supplier may be the subject of a counterclaim against the Bank.

12. We will not be Liable if, despite all our efforts, we are prevented (directly or indirectly) from meeting any of our responsibilities under these terms and conditions because of:

- a) a fault which has happened in any system used to carry out a transaction; or
- b) an industrial dispute (for example, a strike); or

- c) anything outside our or our agents' or subcontractors' control; or
- d) the Card being retained, damaged or not honoured by a third party.

13. To the extent permitted by law and except as otherwise set out in these Terms and Conditions we shall only be Liable to you for delay, mistake or omission on that part or that of our agent(s) in carrying out your payment instructions for an amount up to and including face value of your instruction together with any related interest and charges. We shall not be Liable to you for any other claims, demands, losses, cost, liability or expenses (including legal costs). For the avoidance of doubt we shall not be Liable to you for any indirect, consequential, special or economic loss or damage as a result of any delay, mistake or omission on our part or that of our agent(s) in carrying out your payment instruction. This clause does not affect your rights under the Payment Services Regulations 2017, or any other law, relating to unauthorised transactions or incorrectly executed transactions (for example, instructions not followed correctly or transactions not carried out properly).

14. No delay or omission on our part in exercising any right or power under these Terms and Conditions or under any specific terms shall impair such right or power and any single or partial exercise thereof shall not preclude any other or further exercise thereof or the exercise of any other right or power. Our rights and remedies in respect of these Terms and Conditions and under any specific terms are cumulative and not exclusive of any right or remedy provided by law.

15. If we plan to close or move Your business centre, we will tell you at least 12 weeks beforehand. We will tell you how we will continue to provide banking services to you.

16. If we plan to reduce Your business centre's opening hours by more than 30% of the current hours, we will tell you at least 12 weeks beforehand.

17. Currency exchange rates can be obtained by phoning Your business centre for details. We can change our exchange rate immediately and without notice.

18. From time to time, we offer new savings and investment Accounts. If you have any type of savings and investment Account, other than a fixed rate Account, which has been superseded because new accounts are no longer opened or the Account is not actively promoted, we will either:

- a) keep the interest rate on the Superseded Account at the same level as an Account with similar features from the current range; or
- b) switch the Superseded Account to an Account with similar features from the current range.

This means that the interest rate on your Account will always be at least as good as the interest rate on an Account with similar features from the current range. Examples of similar features include notice periods, types of withdrawals, numbers of free withdrawals and how deposits to and withdrawals from the Account, are made.

Where there is no Account, with 'similar features' we will, within two months of your Account becoming superseded:

- a) notify you that the Account is superseded;
- b) tell you about our other Accounts; and
- c) help you to switch Accounts without any notice period and without any additional charges.

19. If a demand or notice issued in writing in connection with the Account is sent by post to the last address notified by you, we will consider this to have been properly served and

received on the day that the envelope containing the demand or notice should have been received.

20. If we cannot or choose not to enforce any term which applies to the Account, this will not affect our right to:

- a) subsequently enforce that term, or
- b) enforce any of the remaining terms

21. We may take whatever action we consider appropriate to meet our responsibilities in the UK or elsewhere in the world, to prevent fraud, money laundering or terrorism. People who, governments believe, to be involved in criminal activity may be put onto a sanctions list and financial institutions are not allowed to provide financial and other services to them. The action we take may include investigating and stopping payments into and out of an account and making enquiries to find out whether a person has a sanction against them or if the payment goes against our policies. Making enquiries or investigating payments can take time and this may mean there is a delay or we may not be able to go ahead with your instructions.

Section D: Opening the Account

Account opening requirements

1. We have a legislative and regulatory obligation to verify the identity and address of our customers. We will retain on file, copies of the documentary evidence provided. In order that we can comply with its obligations, all principals of a Business Account will be requested to provide proof of identity, normally with a current passport or driving licence, as well as proof of address, normally a current utility bill or recent bank statement. Original documentation must be supplied as copies are not acceptable. We will advise at the time whether the items you provide as proof of identity and address are acceptable.

2. Principals include signatories to the Account. Beneficial owners and certain shareholders will also need to be identified as outlined above.

3. We will also need to ensure your financial standing by requesting copies of audited accounts and bank statements. In addition, there are certain items that we need to see prior to opening an Account for you. The documentation required will depend on what type of customer you are and will be advised to you at the time.

- The Bank must obtain and verify the principal place of business and, in addition, details of the board of directors/management body and senior management of our customers.

We will waive any notice period and any additional charges.

1.11 Incoming International Payments

Incoming International Payments are payments that are received in any currency from banks based in another country or in any currency except sterling from banks based in the UK.

To receive an incoming International Payment, you must provide the Payer with the following:

- a) Your full Account name and address; and
- b) Your IBAN and BIC of Allied Irish Bank (GB). Your IBAN is found on the front of your Account statement and Allied Irish Bank (GB) BIC is AIBKGB2L; or
- c) Your sort code and Account number; or
- d) For Euro payments originating within SEPA reachable countries by using SEPA, provide your IBAN.

Any incorrect information provided, including but not limited to IBAN and/or BIC may result in the delay of applying funds to your Account or the return of the incoming International Payment to the sending institution.

The fee for an incoming International Payment will be debited from the account credited, unless you have agreed an alternative arrangement with Your business centre or relationship manager.

Our fees and charges for International Payments are listed in our Customer Treasury Services Charges brochure which is available on our Website under "Fees and Charges" section or in any of our business centres.

If you are receiving a payment within the EEA, in any currency, you and the Payee must pay your own bank charges. An intermediary bank may not deduct its charges from the payment amount on a payment made in an EEA currency within the EEA. For non-EEA payments, an intermediary bank may deduct its charges from the payment amount before it is made available to us or to the Payee's bank.

Any payment to your Account in a currency other than the currency in which your Account is denominated, will require a currency conversion using a foreign exchange rate.

For International Payments the exchange rate used for such conversions will be:

- a) for amounts up to and including our standard exchange rate threshold value, our applicable Standard exchange rate on the Banking day on which the instruction is received by us; and
- b) for amounts over our standard exchange rate threshold value, for foreign currency payments to your Account, we will attempt to contact you to negotiate a rate before we make the conversion;
- c) If we have been unable to contact you or have been unable to agree a rate with you within two hours of receiving the payment instruction or by 4pm at the latest on the Banking day on which a payment is received by us, we will apply the prevailing dealer exchange rate as determined by us at that time.

The exchange rate used to convert an incoming International Payment by us on the day of processing the transaction, will be quoted on the payment advice sent to you by post.

Exchange rate losses may occur where an incoming International Payment is returned to the sending bank by us due to incorrect or incomplete payment information.

In the case of an incoming International Payment, if we receive an instruction before currency Cut-off time and for SEPA credit transfer before 4 pm, we will process your payment on the Value date quoted, unless the Value date specified has passed or unless it is a non-Banking day. If the date quoted has already passed, we will process your payment on the Banking day we receive it. If a payment is received after the Cut-off time or on a non-Banking day, this will be deemed to have been received the following Banking day.

For payments received from other countries or paid in other currencies, various Cut-off times and Value dates apply. Please contact Your business centre or relationship manager or visit our Website for currency Cut-off times. The Cut-off times for electronic channels are available on the relevant channel.

We will provide you with the following information as soon as reasonably practicable after the payment has been processed:

- a) A Reference number enabling you to identify the payment, and where applicable, information relating to the Payer of the funds;
- b) The amount of the payment in the currency in which the funds are received by us;
- c) The amount of any charges payable by you for the payment;
- d) The exchange rate used by us and the amount of the payment after the currency conversion;
- e) The credit Value date; and
- f) Any Reference information provided by the Payer or their bank

2. Withdrawals and payments from your Account

2.1 We will follow your instructions to withdraw funds or make a payment from your Account whenever we can. In order for us to follow an instruction you must:

- have sufficient funds in your Account to cover the payment or an Arranged overdraft limit which will cover the amount of the instruction;
- give us all of the information we need; and
- have authority to give us the instruction to make the payment from your Account.

If we accept a payment instruction and we are unable to carry out the transaction for any reason, we will let you know about this, unless we cannot tell you because of a law or regulation.

2.2 Daily limits apply to the amounts that can be transferred through Online Services or iBB (see your Online Services or iBB terms and conditions or our Website for more information on these limits).

2.3 Before we make a payment from your Account, we will need your authority to do so. How you do this will depend on the type of payment you want to make. If you sign a Direct debit form, or if you use Online Services or iBB to create payments, we take this as you giving permission. Other forms of permission include a written letter of instruction or a completed and signed application form.

2.4 As long as our procedures are complied with (including completing, either manually or online, the relevant payment instruction) and security requirements are followed, payments can be made from your Account by any of the methods listed in sub-section 3 'Authorised Payments' below. We may in the future also allow payments by other methods which we make available.

2.5 We will only allow payments from a joint Account in line with the latest signing instruction (Mandate) that controls how you use the Account.

2.6 If we allow money to be withdrawn from your Account and this takes your balance overdrawn or over any Arranged overdraft limit (if we have already agreed a limit with you), we will not be making a commitment to allow up to these amounts to be withdrawn in the future. If you want to go overdrawn or over any Arranged overdraft limit for a short period, you should discuss this with us beforehand. We will consider your request and tell you whether or not we can accept it. If you go over your Arranged overdraft limit, fees and charges will apply. You can find details of these amounts in our 'Business Banking Charges Explained' brochure, which is available in all our business centres and on our Website.

2.7 If we make a payment from your Account against money which has not yet Cleared, it does not mean we will do it again in the future.

2.8 Once we have processed your payment instruction, you cannot cancel it. However, if you need to amend or cancel an instruction that you have given us before we process it, we will try to make your change if it is possible. If you need to amend or cancel a payment instruction, you should give details to Your business centre in writing, by phone or by another method that we will tell you at the time. You will be responsible for any extra fees, expenses and exchange rate losses which are caused by amending or cancelling a payment instruction and for the costs of any payment investigation you ask us to carry out.

2.9 If we receive a request to refund a payment which we are told has been credited to your Account by mistake, we will contact you before authorising the refund. We are required to co-operate with the Payer's Payment service provider in these circumstances which could include providing information about you as the Payee, where they make a written request to us for information to enable the Payer to pursue, as Payee, for recovery of the payment.

2.10 Payment instructions by fax will only be accepted if you have made prior arrangement with Your business centre. All faxed payments will need to be authorised using the Bank's Message Authentication System (MAS).

2.11 We may choose to make security checks from time to time, including making phone calls to you or your authorised representative. We have the right to delay or not authorise a payment if we are suspicious that you have not authorised the payment or it is fraudulent. We will not be responsible for any delay in making any payment for the reasons above.

3. Authorised Payments

B. In the event that the Payee of a Standing Order made by you switches their bank account to another provider you agree to us amending the account details with the Payee's new financial account details on your behalf.

C. To set up, amend or cancel a Standing Order in one of our business centres or in writing you must let us know five Banking days before the payment is due.

If you are an iBB or Online Banking customer you can set up, amend or cancel a Standing Order through iBB or Online Banking or through our contact centre, up to 8pm the day before the payment is due.

3.1.5 Direct Debits

A. When you sign a Direct debit mandate, you are authorising an originator (for example, utility providers, telecommunication providers and other service and product providers) to collect a payment from your Account and to instruct us to pay this collection. We are entitled to rely on the instruction received from the originator in order to make a payment from the Account.

B. In order to cancel or amend either a Direct debit payment or a Direct debit mandate, you must contact the originator with whom you have agreed the terms of a mandate. To cancel a Direct debit in one of our business centres, in writing or through our 'business account enquiries' number (see Section A 'Contact Information' for details) you must let us know by the end of the Banking day before the payment is due. - The name and address of the Payee;
- The sort code and account number of the account to which the funds are to be transferred;
- The date and amount of the payment
- A meaningful Reference so that the Payee can identify you; and
- Your permission in line with the Mandate for the Account from which the payment is to be taken. If you are making a CHAPS payment in one of our business centres you give your permission by signing an instruction form

3.2 We may, if agreed with us, accept verbal instruction from you on the phone after we have confirmed your identity by whatever means we deem appropriate. We may also accept authorisation from you for a payment to be made from your Account by any other means that we have agreed with you.

3.3 If we are advised that the Payee details of a payment you have authorised have changed, you agree to us updating the details in order for the payment arrangement to continue. If we cannot make the changes we will write to you to let you know.

3.4 In cases where a payment from your Account has been initiated by or through a Payee, you may be entitled to a refund if:

- The authorisation you gave did not specify the exact amount of the payment; or
- The payment made from your Account was more than reasonably expected, taking into account your previous spending pattern, the terms and conditions of your Account or Card and the circumstances surrounding the payment.

3.5 To request a refund, you must tell us as soon as possible if either or both of the above happen and, in any case, no later than eight weeks after the amount is taken from your Account.

3.6 We will refund you within 10 Banking days of your request or of receiving any information we ask you to provide to us. If we refuse your request for a refund we will inform you of this within the same 10 Banking day timeframe along with our reasons.

3.7 You are not entitled to a refund if:

- a) you gave the Payment service provider direct permission to carry out the transaction; and
- b) the Payment service provider or Payee gave you information on the transaction, or made that information available to you, as agreed, at least four weeks before the date the payment was due.

If we refuse your refund request, and you do not agree with this decision you may refer to the Financial Ombudsman Service if you are not satisfied with this decision. Please see the 'Making a complaint' section of these terms and conditions for details.

3.8 The Direct Debit Guarantee Scheme will protect payments you make by Direct debit (this does not include SEPA Direct debits). This scheme protects you if a Direct debit payment you have not authorised is taken from your Account. If any money is wrongly, or incorrectly, taken from your Account by a Direct debit we will, when we are informed about it, refund your Account and restore your Account to how it would have been had the payment not been taken.

3.9 The following table sets out when payments from your Account can be made and when the funds will be available to the Payee. The timeframes assume we have received the payment instruction before the Cut-off time on a Banking day. If we receive the payment instruction after the Cut-off time on a Banking day, it will be deemed to have been received the following Banking day. If we receive the payment instruction on a bank holiday, we will consider to have received it the next Banking day. If we receive a payment instruction which is post-dated (dated for some time in the future), we will consider to have received it on the day it is due to be paid. If this is not a Banking day, we will consider to have received it the next Banking day.

4. Using the Account

4.1 You must, at all times, keep the Account in credit or within any arranged overdraft unless you have agreed otherwise with us. We will not provide you with an overdraft or any other type of credit if you are under the age of 18. You can lodge Cleared funds to your Account up to 2pm (12pm on Christmas Eve, if it is a Banking day) to cover any Direct debits, cheques or Standing Orders due to be taken from your Account that day. If the Cleared balance or the Arranged overdraft limit is not enough to cover the payments, some or all of them may not be paid.

4.2 If you have an Arranged overdraft limit on your Account, separate and extra terms and conditions will apply, which will have been provided to you. If you require another copy of these please ask Your business centre or relationship manager.

4.3 You should check the transactions on your statement regularly, and at least once a month, against your Account records. If an entry on the statement seems to have been made incorrectly or without your authority, you should tell us as soon as possible but no later than 13 months after the date the transaction was taken from your Account. This timeframe is reduced for payments initiated by or through a Payee (see section 3, subsection 3.4 – 3.7 above). Direct debits covered by the Direct Debit Guarantee Scheme are protected indefinitely.

4.4 If your name, address, telephone number or any other contact details change, you must tell us immediately. You must also make sure that arrangements for receiving mail at your address are secure. If you do not keep to this condition, you may be Liable if the Account, cheques or Cards are misused.

4.5 If we issue any cheque books or Cards for you to use on your Account, these will continue to be our property at all times. You must return these to us if we ask you to, cutting the physical Cards in half and delete or un-register all related Digital Cards. You must also take all reasonable care to make sure that the cheque books and Cards are not misused, lost or stolen. If your cheque book, Card or Device is lost or stolen, you must tell us as soon as possible.

4.6 Statements

We must make your statement available to you at least every month and free of charge during any period that there has been a payment transaction on your Account.

Personal Business customers have the option through Online Banking to view eStatements. Using Online Banking you can choose to stop receiving your statements in paper format.

If we do not hear from you, we will assume you are happy to receive your statement in the same way that you receive this information currently, for example, by way of paper statement or eStatement (Personal Banking customers only).

4.7 You can at any time change how you receive your statement – just contact Your business centre or relationship manager. However you choose to receive your statement, we will send you a statement at least every six months following your last transaction without being asked. Duplicate statements will be issued on request and a charge will be made for this service as detailed in our 'Business Banking Charges Explained' brochure.

4.8 If you wish to receive your statement more than once a month you will be charged a fee for this service. Details of our fees can be found in our 'Business Banking Charges Explained' brochure.

5. Payments made incorrectly or without authority

This section does not apply to Fixed Term Deposit Accounts. For further information on Fixed Term Deposit Accounts,

please refer to Section I - Fixed Term Deposit Account Terms and Conditions.)

5.1 If a payment has been made from your Account incorrectly or without your authority, you must tell us as soon as possible. If we fail to make a payment correctly or a payment is made without your authority and you are eligible for a refund we will, as soon as possible, put your Account back to the position it would have been in had we made the payment correctly. We will also refund any charges you have had to pay and any interest we have charged as part of the incorrect payment. Unless stated otherwise, the provisions of this subsection 1 do not apply to payments made by cheque.

5.2 You will only be entitled to a refund for an unauthorised or incorrectly executed payment if you tell us about the transaction as soon as possible and, in any case, no later than 13 months after the date the payment was taken from your Account. Different timeframes for notification apply to payments initiated by or through a Payee (see section 3, subsection 3.4 – 3.7 above) and Direct debits covered by the Direct Debit Guarantee Scheme which are protected indefinitely.

5.3 Where any of your personal account details or other items allowing access to your Account (such as Security Details) have been lost or stolen, you will be Liable to pay a maximum of £35 for any losses in respect of Unauthorised payments arising as a result. However, you will be Liable for all unauthorised transactions if you have acted fraudulently or with Gross negligence by failing to keep your Card, Device, PIN, Security Details or Safeguard system passcode safe in line with your terms and conditions or if you have (with intent or Gross negligence) failed to notify us without undue delay after becoming aware of the loss, theft or unauthorised use of any of the Cards or Security Details that we have issued to you in connection with the Account.

5.4 You are not entitled to a refund if the payment details you provided were incorrect (for example, you gave us the wrong account number or sort code for the Payee) and we used these to make the payment. However, we will make reasonable efforts to recover the funds involved in the payment. We may charge you for doing this. If we decide to charge you for this, we will tell you what the charge will be at the time you ask us to recover the funds. If you provide information as well as the payment details we ask for, we will only be responsible for making the payment in line with the payment details we asked for.

5.5 If we are unable to recover the funds you may write to us to request from us any relevant information we may have available in relation to the Payee in order for you to pursue recovery of the funds directly from the Payee.

5.6 You are not entitled to a refund from us if you have selected a Payee from your trusted beneficiaries list in Online Services or iBB in error and the Payee's Payment service provider receives the funds. If that happens, you must ask the Payee directly to return the funds to you. We will, however, make immediate efforts to trace the payment and give you notice of whether this has been successful.

5.7 If you dispute a transaction we have made on your Account and we refund this transaction, you must pay us back any refund you have claimed and we have the right to take this money from your Account if following our investigations, we find that you:

- a) Agreed the transaction;
- b) Have acted fraudulently or with Gross negligence;
- c) Do not tell us about the claim in line with your terms and conditions;

- d) Do not give us any information we ask for about your claim; or
- e) Do not send us the refund application form within 14 days from the date you first told us about the claim.

5.8 We may prevent or stop any transaction on your Account if we have good reason to believe that:

- a) the security of your Account or Card is compromised; or
- b) the Account, Card or Device could be used to commit fraud, or by someone who does not have authority to use it; or
- c) the transaction seems unusual compared with the way you normally use your Account or Card; or
- d) in the case of a Payment Service that offers you credit (for example, an overdraft), there is a significantly increased risk that you may not be able to pay back the money you have borrowed; or
- e) the transaction would damage our reputation.

5.9 Where applicable, we will try to contact you before we take a decision to decline a transaction, but it may not always be possible for us to do so. Please refer to Section A 'Contacting You' for the ways in which we can communicate with you. If we contact you by text message you may be asked to confirm a transaction by responding to the text message.

6. Post Office Services[®]

Section F: Interest

This section does not apply to Fixed Term Deposit Accounts. For further information on Fixed Term Deposit Accounts, please refer to Section I - Fixed Term Deposit Account Terms & Conditions.

1. General

1.1 When you open your Account you will be advised of the interest rates applicable to your Account. If we want to make changes to your interest rates, and these changes are to your detriment, we will communicate these changes to you at least two months prior to the changes becoming effective except for changes to sterling Reference Interest Rates explained below.

1.2 If our sterling interest rates are linked to sterling Reference Interest Rate, we can change our sterling interest rates immediately and without notice. For changes to Non-sterling Reference Interest Rates see the Customer Treasury Services Terms and Conditions.

1.3 We will give you at least 14 days' notice before we deduct interest from your Account, as detailed in our 'Business Banking Charges Explained' brochure.

1.4 Interest on your Account can be made up of either or both of the following:

- a) Debit Interest
- b) Uncleared Interest

- c) Excess Interest
- d) Credit Interest

2. Debit Interest

2.1 Debit interest is interest we charge you for going overdrawn on your Account. However, any Arranged overdraft limit will have an interest-free portion within the Arranged limit.

2.2 We work out debit interest each day on the overdrawn balance of the Account. We will only charge debit interest when the Cleared balance on the Account is overdrawn. If we agree an overdraft for you, we will tell you what debit interest rate will apply.

2.3 Default Debit Interest rate is for Current Account Holders who do not have an agreed overdraft limit in place, and where your Account goes overdrawn the debit interest rate accruing is calculated at the Bank's Base Rate plus 12%. This will be charged quarterly in arrears for the number of days your Account is overdrawn.

3. Uncleared Interest

3.1 When you lodge a cheque from another account or bank, the cheque takes a number of days to 'clear' through the banks' clearing system.

3.2 If you have an overdrawn balance and lodge cheques into your Account, the following will apply:

- a) If the cheques you have lodged are not enough to cover the overdrawn balance, we will work out Uncleared interest on the full amount of the cheques
- b) If the cheques you have lodged are for more than the overdrawn balance, we will work out the Uncleared interest on the cheques, but only on the overdrawn balance.
- c) If your Account is in credit and you lodge a cheque but then withdraw the money in your Account, including some or all of the cheque you have just lodged, before it has Cleared, we will work out Uncleared interest on the amount you have withdrawn from your Account which has not Cleared. In other words, when you make the withdrawal we will take account of Cleared funds (the amount your Account was in credit) first before taking account of the Uncleared funds (the cheque which has not Cleared).

4. Excess Interest

4.1 We work out excess interest at 1.5% per month (equivalent to an annualised rate of 19.25% per annum).

4.2 We charge excess interest in the following circumstances:

- a) If your Account balance is maintained in credit or within an Arranged overdraft limit, excess interest is not charged.
- b) If your Account goes overdrawn without you first having received agreement from us, you will be charged excess interest on the overdrawn Account balance, plus any Uncleared funds.
- c) If you exceed an Arranged overdraft limit you will be charged excess interest on that portion of the overdrawn Account balance, plus any Uncleared funds which are in excess of the Arranged overdraft limit.
- d) If your Arranged overdraft limit has expired, you will be charged excess interest on the overdrawn Account balance, plus any Uncleared funds.

5. Credit Interest

5.1 Credit interest on applicable accounts is calculated each day, based on the Cleared balance in your Account, up to and including the day before you withdraw the funds.

5.2 If the terms of the particular Account are that the interest rate increases as your balance rises, the higher rate is paid on all the money in your Account. Interest will be paid annually, quarterly, monthly and on closure of the Account as applicable. For accounts where interest is paid monthly, it will be credited to the Account on the 1st Banking day of the month. For accounts where interest is paid quarterly, it will be credited to the Account on or around the 16th of March, June, September and December. For accounts where interest is paid annually, it will be credited to the Account on or around the 1st April each year. This interest will then be included in the balance of the Account for interest purposes within the next immediate year/quarter/month.

5.3 Certificates of interest earned on your Account are available at the end of each fiscal year and will only be issued on request. Please contact Your business centre .

5.4 Up to 5th April 2016 and subject to certain exceptions credit interest will be paid net after deduction of tax at the basic rate under current legislation. If you are a higher rate tax payer, you may have additional tax to pay.

Section G: Fees and Charges

1. You will have received a separate brochure, 'Business Banking Charges Explained', on opening your Account. This brochure is available at all our business centres and via our Website, and it details the fees and charges applicable to the more commonly used services on your Account.

2. Additional charges which are not detailed in the brochure, 'Business Banking Charges Explained', or relate to a specific transaction or service provided will be advised separately to you before the transaction or service and will be charged to the Account at the time of transaction or service.

3. Foreign exchange charges, including overseas cash withdrawals or purchasing foreign exchange will be debited to your Account at the time of the transaction.

4. Any Arrangement Fee for setting up or managing a loan or other credit facility will be charged when requested and sanctioned. This fee may be included as part of the agreed loan facility and, subject to calculation of debit interest, will be calculated in the normal way.

5. If fees or charges change we will communicate notice of the change to you in writing at least two months prior to the change becoming effective.

6. Fees and charges accrued during the charging period will be advised to you at least fourteen days before they are charged to your Account.

Section H: Closure of the Account

1. On receipt of written instructions to close an Account, the following applies:

- a. You may be requested to return all relevant stationery including unused cheques, Cards/credit cards and lodgement books.
- b. You should advise us of any outstanding debits that you wish to be paid from the Account and you should leave sufficient available funds in your Account to meet

such payments. If you do not do so, payment will not be made and you will remain Liable for any charge incurred. If you withdraw/close your banking relationship/Account with us this may also result in you having to close other products for example credit cards.

- c. Credit interest (if applicable) accrued up to the close of business on the previous day is calculated and credited to the Account.
 - d. Debit interest (if applicable) accrued up to the close of business on the previous day is calculated and debited to the Account.
 - e. Fees incurred during the current charging month will be calculated and apportioned up until the time of closure of the Account and debited to the Account.
 - f. The closing balance of the Account will be forwarded to you or transferred in accordance with your instructions.
 - g. Direct debits – you should advise the originator (the company who is collecting the money from you) of the closure of the Account.
 - h. You should make arrangements to have your Standing Orders transferred if applicable.
 - i. If you decide to transfer your Account to another bank or building society using the Current Account Switch Service, we will give your new bank or building society information about your Standing Orders, Direct debits and bill payments on the second Banking day of the account switching process, at the latest.
 - j. Whether you or we close the Account, these terms and conditions will continue to be in force until you have paid us any money you owe.
2. By Allied Irish Bank (GB)

There may be a time when we ask you to close your Account. The procedures in Section H, condition 1 above will be followed.

If we decide to do this we will, wherever possible, give you at least two months' notice in writing unless there are exceptional circumstances. These include, but are not limited to, the following:

- a. if an encumbrancer (being a person who owns a right or interest in property other than the owner) takes possession of, or a receiver, administrator, administrative receiver, liquidator, trustee, manager or similar officer is appointed over all or any part of your business or assets;
- b. if you are unable to pay your debts, within the meaning of s.123 of the Insolvency Act 1986, or if you are the subject of an administration order or if you make or offer to make any voluntary arrangement or composition with your creditors or if you suffer a material change in your financial position which adversely affects your ability to perform your obligations in connection with the Account;
- c. if you pass a resolution for, or are the subject of, a court order for your liquidation, whether compulsory or voluntary, except for the purposes of achieving solvency;
- d. if you cease, or threaten to cease to carry on business;
- e. if any representations, warranties or statements made by you or an authorised user to us in connection with the Account are breached or are untrue in any material respect;

- f. if you commit any serious or repeated breach of these Terms and Conditions;
- g. if you are in breach of any other agreement with us;
- h. if we have reasonable grounds to believe that you are no longer using the Account and it has not been active for 6 months or more;
- i. you act, or are suspected of acting, fraudulently against us or any other party;
- j. to enable us to comply with the law, or regulation(s), code or good practice; or
- k. for any other valid reason, provided that the closure of this Account is a proportionate and reasonable response to the underlying reason.

If we decide to close your Account we will immediately give you notice of this in writing.

Section I: Specific Terms and Conditions for Fixed Term Deposit Account

1. Lodgements and payments to your Account

1.1 The Account must be opened with a minimum Deposit, the amount of which will be determined by us and advised on request at any of our business centres and via our Website.

1.2 If, during the Term of your Fixed Term Account, you find that you have additional funds, subject to a minimum of £5,000 these can be lodged to a separate Account but added to your original Fixed Term Account at its Maturity date. Each Account will be treated separately for tax purposes. See Section I conditions 4 and 7.

1.3 Instructions for lodgements of Cleared amounts of £250,000 and above must be received by 12.00pm on the day of the transactions to ensure that same day value is received by you.

1.4 The Term of a Fixed Term Account shall be agreed with us on the date of commencement and can be for any period between one day and five years.

2. Withdrawals and payments from your Account

2.1 Withdrawals from Fixed Term Accounts may only be made on the Maturity date in accordance with the Account operating instructions (Mandate) held.

2.2 Instructions for withdrawals of £250,000 or more must be received by us before 12.00pm on the day of the withdrawal.

2.3 Withdrawals and closures before the Maturity date are only permitted in exceptional circumstances at the discretion of the Bank and on receipt of a signed request. Should the Bank agree to an early withdrawal or closure, then the amount due on the date of the early withdrawal or closure will be paid subject to deduction of a redemption charge. The redemption charge consists of a funding charge (where applicable) plus an administration fee as per clause 2.3a and 2.3b.

- a) A funding charge will apply to early withdrawals/closures if the applicable money market rate, as interpreted by the Bank, for the residual Term is higher than that of the money market rate on the commencement date of the Deposit (original rate). The charge will be based on the amount withdrawn, the Term remaining and the difference between the prevailing and original rates. If the prevailing rate at the time of withdrawal is lower than the original rate, then no funding charge will apply. The actual charge will be advised to you at the time of withdrawal.

If you require further explanation or illustration of the funding charge calculation please ask at Your business centre.

- b) An administration fee of £50

3. Maturity instructions

Fixed Term Accounts may be reinvested as follows:

- a) with instructions received from you to automatically reinvest the Deposit on the Maturity date, with or without the interest added to it. The Deposit will be reinvested for the same Term as previously and at the prevailing interest rate decided by us; or
- b) on receipt of fresh instructions from you on or before the Maturity date. Such instructions should be received by us before 12.00pm on the Maturity date. If no instructions are received on maturity, the Account will be reinvested on a daily basis and interest added to your capital daily. Within one week of maturity, should no instruction be received, the Deposit plus interest may be reinvested for the same Term as previously, at the prevailing interest rate decided by us.

4. Interest

4.1 The interest rate is variable and is only valid at the time a quotation is given. However, once agreed, the rate is fixed for the Term of the Deposit regardless of money market fluctuations.

4.2 Interest is calculated on the Deposit on a daily basis from the date of receipt of Cleared funds and is paid on the Maturity date, except in the case where the Monthly income option has been chosen, when interest is paid monthly. Where the fixed Term is equal to one year or greater, the interest will be paid at least annually.

4.3 Interest on the Deposit may be added to the Deposit for reinvestment on the Maturity date or paid to you according to your instructions.

5. Monthly, Quarterly or Half Yearly Income option

5.1 You may decide to receive interest on a Fixed Term Account on a monthly, quarterly or half yearly basis rather than on the Maturity date, where the agreed Term of your Account is at least three months or one year respectively. In this case, we will quote the applicable interest rate on request.

5.2 When a Monthly income option has been chosen, interest will normally be paid on the same date each month as that on which the Deposit will mature, to an Account nominated by you at the time of Deposit. In the event that the interest payment date is a non-Banking day, interest will be paid on the next Banking day.

6. Account record

A statement for your Fixed Term Account setting out full details of any transactions, including the Deposit, Term, interest rate and Maturity date will be sent to you on opening the Account, after each reinvestment or upon your request.

7. Taxation of Interest

7.1 Up to 5th April 2016 and subject to certain exceptions credit interest will be paid net after deduction of tax at the basic rate under current legislation. If you are a higher rate tax payer, you may have additional tax to pay.

7.2 Credit interest will be paid without deduction of tax on accounts held by companies, certain trusts, pension funds, clubs, societies and associations, provided the appropriate documentation is in place.

7.3 From the 6th April 2016 credit interest on your Account will be paid gross (under legislation tax will not be deducted when credit interest is paid). If your credit interest is more than your Personal Savings Allowance you may still have tax to pay. Please see www.gov.uk for information on the Personal Savings Allowance or speak to a tax adviser.

8. Closure of the Account

8.1 In the absence of express agreement to the contrary, you may terminate the relationship i.e. close the Account, by giving reasonable notice to us in writing on maturity of a Fixed Term Account.

8.2 If we close the Account, we will give you at least two months' notice in writing. In certain circumstances, where we have a valid reason, we may close the Account without notice. Upon termination of the Account, interest will be credited up to date and the balance issued to you.
